

13 September 2016

Addendum 1

Ann Street United Methodist Church Roof Over Build

The following addendum shall supersede previous information and does hereby become part of the contract documents.

- In Lieu of attaching the new overbuild roof structure to the existing deck as shown, provide an alternate add or deduct price to attach the new overbuild roof structure to the existing roof bar joists. See new attached Form of Proposal.

End of Addendum 1
