Addendum 3

**Columbus County
Sheriff's Department
Whiteville, NC**

The following addendum shall supersede previous information and does hereby become part of the contract documents.

- Drawings, G-1: Structural design, seismic design category to be D instead of B as shown.
- C-1: Existing water line shown to be rerouted can be abandoned.
- Clarification: Piedmont gas will be responsible for the gas line to the meter. The Contractor is responsible for running the gas line from the meter to the building.
- Clarification: Media lighting with support truss \$5000.00 allowance includes media lighting, support truss, and LCP. Wiring, raceways and conduits are to be part of base bid.
- Equal PEMB Products by Ascent Buildings will be acceptable.
- Clarification: Vapor Barrier under the concrete slab shall be "Moistop Ultra" by Fortifiber or approved equal.
